

ALARM IN ARMENIA.

A Repetition of the Recent Outrages Feared.

CONSTANTINOPLE, August 27.—Advices received here from Erzinghian say that a state of great terror prevails among the Armenians there owing to the attitude of the Turkish authorities. The latter, in consequence of an attack which was recently made by brigands upon a Turkish colonel, during which a member of his escort was killed, are believed to be taking steps which will have serious consequences. The Armenians are accused of being the authors of the attack, and it is alleged that a large force of Turkish troops have been retaliating by attacking the villages and monasteries of the vicinity and engaging in other acts of violence. The Armenians, fearing a recurrence of the Sasun outrage, have appealed to the ambassadors of the powers at Constantinople for protection.
