

## THE YOUNG MEN'S CONGRESS.

The regular meeting of the Young Men's Congress last evening had for a subject of discussion a resolve asking the United States to send a warship and commission to investigate Armenian outrages.

The resolve was warmly debated; affirmative, Messrs. Noa, McIntyre, Benjamin, Tilden, O'Connor, Apsey, Lornegan, Lane, Hopkins; negative, Bancroft, Harber, Rogers, Marquand and Willett. A substitute resolve of a milder nature was passed to a third reading.

Order of the day next Monday evening: "Government Aid of Nicaraguan Canal Project."
