

# TURKS IN REVOLT.

---

## Decent Mussulmen Resent Persecutions of Armenians.

LONDON, Nov. 2.—The Constantinople correspondent of the Daily News says: "There is no reason to doubt the existence of a Turkish revolutionary committee here.

"Although it is difficult to ascertain whether it receives much support, it is quite certain that many decent Turks resent the persecutions of the Armenians. The aspirations of the Young Turkish party to restore a parliamentary regime are, however, doomed to disappointment."
