

## PROMISES FROM THE PORTE.

**Minister Terrell Says Americans at  
Tarsus Will Be Protected.**

WASHINGTON, Aug. 27.—A cable message was received to-day at the State Department from Minister Terrell, in Turkey, saying:

"The Porte gives emphatic assurances of security for American citizens at Tarsus."

No doubt is expressed here as to the Turkish Government doing all it can to protect American citizens, but the Government is not always able to restrain lawless bands and marauders in different parts of its Empire. Up to the present time the Turkish Government has acceded to all requests presented by Minister Terrell.
