

MASS MEETING OF CITIZENS IN NATIONAL HALL.

It is now known that the following parties will be present at the mass meeting to be held in National Hall, Thursday evening, Dec. 6th next, at which a Christian community will protest against and condemn the recent massacres of Christian Armenians in eastern Turkey:

The mavor, board of aldermen, city council and city officials, Hon. Arthur H. Welma, Hon. Clarence O. Walker, Hon. Henry Winn, and other members of the state legislature and ex-officials of the city government, Mrs. P. S. J. Talbot, president, and the members of the W. C. T. U., will be present; also the pastors of the churches in Malden and vicinity. Rev. J. S. Barrows, Dr. James B. Blackwell, Miss Alice Stone Blackwell, William Lloyd Garrison; and

it is expected that Mrs. Julia Ward Howe, Rev. Francis Tiffany, James L. Barton, secretary of the A. B. C. F. M., formerly president of Euphrates College in Harpoot, Turkey, Gen. Francis A. Walker and others from Boston, will be present. The Governor, His Excellency, Frederick T. Greenhalge, will be present if no previous engagement prevents.

Prominent Armenians, representative men of the Armenian people, as follows, will be present: Mr. M. H. Gulesian, secretary of the Society of Friends of Armenia; Mr. Osgan H. Atesnian, Mr. Avadis Boulgurian, Mr. A. H. Nazarian, and others whose names will be announced before or at the meeting. We are creditably informed that about fifty eminent men and women of Boston and vicinity will attend the meeting.

The Grand Army and U. V. U. organizations, as a body and individually, have been invited; and we need not be surprised if they march in upon us, under "Old Glory," the flag which covers and shields the persecuted and oppressed who fly to this country for shelter under its folds.

The hall will be full, so those who expect to attend must come early. Gentlemanly ushers will be in attendance. †
